

State Revenue Society (SRS) Medals

SRS medals are available to any World Series of Philately (WSP) show at which either The State Revenue Society or The American Revenue Association is an official participant. Medals will be awarded qualifying exhibits in both **stamp** and **literature** classes. US **State or local revenues** must constitute a **significant** part of the exhibit to be eligible. The incidental inclusion of State revenues would not qualify unless they are important to the story being told. In general, the entry should be a revenue exhibit. Thematic exhibits are not generally eligible.

For WSP shows at which neither SRS nor ARA is an official participant, the same exhibit shall be eligible for only a single medal unless at a subsequent show it is awarded a higher medal level. However a certificate will be awarded for each showing.

A gold medal shall be awarded any exhibit achieving a gold or vermeil award in open competition; a silver medal for a silver or silver-bronze award; and a bronze medal for a bronze award. All eligible exhibits will receive a certificate regardless of medal level, if any.

Medals and/or certificates may be made available to other open shows, or for other purposes, as may be determined by the Board of Directors of SRS.

Upon receipt of information on winners from the show committee, SRS will mail medals directly to the exhibitor. However certificates can be furnished in advance if the show committee informs SRS of potentially eligible exhibits along with the name of exhibitor and title of the exhibit.
