'Collectors Club of Chicago Philatelic Exhibitor's Award'

The Collectors Club of Chicago announces the availability of an award to be given to a deserving exhibitor, as determined by the jury, at APS-certified philatelic exhibitions or selected shows. The award will consist of two books, published by the Club, with title to be determined at the relevant time. In most instances, the retail book value of the award will be the equivalent of US\$ 150-200.00 retail with books being in new, printer-fresh, condition.

Except for the following parameters, the jury has freedom in determining who receives the award. It is suggested that the jury allocate the award to an exhibit of merit to motivate the exhibitor to continue to exhibit in his or her area of interest, to recognize his or her research, creativity or even first-time exhibiting achievement.

Award limitations and criteria:

- * *Not to be given to the Grand or Reserve Grand Award Winning Exhibits;*
- * *Should be given to either a Vermeil or Gold-Award level exhibit;*
- * *No topic restrictions;*
- * *No frame restrictions, either multi- or single-frame;*
- * *May be awarded to a youth exhibitor as long as the exhibitor achieves the Youth Vermeil or Gold levels;*
- * *May be awarded to an experienced, newer or first-time exhibitor.*

After the award has been given at a particular show, the show is required to advise the undersigned, **Club's Exhibits Award Chairman**, of the exhibit title, frame total, name and address of the exhibitor, whose address will be held confidential, nor will he or she be solicited by the Club. The undersigned is not eligible for this award, should he exhibit at the exhibition.

By accepting this CCC Award, the show agrees to indicate the award in its show program as well as display the unpacked award with nameplate during the show and at its banquet, if applicable.

In the event of questions or communications, please **only** contact the Club's representative indicated below.

Philatelic regards,

Jerry H. Miller
Collectors Club of Chicago
Exhibit Awards Chairman
