

U.S.A. Forever

Declaration of

Indopendence

In CONGRESS July 4, 1776
 The Unanimous Declaration of the 13 united States
 of America:

When, in the course of human events,
 it becomes necessary for one people
 to dissolve the political bands that
 have connected them with another,
 and to assume the laws of nature and
 of nature's God, the separate and
 distinct powers, among the powers
 of nature, the separate and equal
 station of mankind requires that they
 should declare the causes which
 impel them to the separation.

John Hancock
